MAHARASHTRA STATE HOUSING POLICY

Presentation to Urban Age India
Conference

Mumbai- 2nd Nov.2007

S.S.KSHATRIYA

HOUSING POLICY

- **In accordance with the National Housing Policy, the Government of Maharashtra has accepted the objective of affordable housing for the EWS, LIG and MIG.**
- **The need for Reforms and Liberalisation in the Housing Sector is a major challenge**
- **The Draft Housing Policy is an attempt to start this process of reforms and liberalisation so that affordable housing is created on large scale.**
- **The objective is to deregulate Housing Sector and encourage competitive and public private partnership, particularly for LIG and MIG tenements.**

Housing Task Force

- Set up in August 2006
- First meeting 30th August – five meetings.
- Representatives from housing industry, Property owners and tenants association, environmental group, Consumer Protection group and NGOs working in slums were heard
- Core group under the Chief Secretary

Need for a Housing Policy

- Shelter is a basic need
- Housing is a major issue in Urbanisation
- Nationally 27% and in Maharashtra 42% population in Urban areas
- Urban GDP > 60%; rural migration to cities would be more steep
- Sharper migratory trend to Class I cities.
- Shelter is the issue in urban poverty
- Rural poverty is more about income generation
 - *Focus of rural housing at growth centres*
- ⇒ *“Housing implies shelter and livelihood”*

Issues in Urban Housing

- Shortage of affordable housing stock- both ownership and rental
- High Cost of living and business
- Substandard housing stock
- Scarcity of land; Restrictive Development Controls
- Absence of Low Income Housing – slums; 26% Population in Slum in India; 54% in Mumbai
- Lack of supporting infrastructure and services
- **Absence of transit shelters**

Objectives of Housing Policy

- 1) **Affordable housing in urban and rural areas.**
Creation of adequate housing stock for LIG, EWS and Shelters for the poorest of the poor
- 2) To promote **Cities Without Slums** through equitable slum redevelopment and rehabilitation strategy and shelters for the poor.
- 3) **Deregulate housing** PPP in financing, construction and maintenance of houses for the LIG and the poor
- 4) **Liberalize Development Control Regulations** and streamline approval procedures
- 5) **Promote Rental Housing** through amendments in the Rent Control Act; incentivise rental housing for weaker sections

Objectives.....

6. To facilitate **urban renewal** of inner cities and redevelopment of dilapidated buildings; conserve places of historical and archeological importance
7. **Conserve ecologically sensitive areas** and promote environmentally sustainable cities and townships
8. **Create dedicated infrastructure fund** in cities to finance quality infrastructure for housing and economic growth
9. Promote sustainable development of **urban and rural growth centres** and promote employment opportunities
10. **Employment generation through construction** activities-encourage technology innovation, training and capacity building of the construction workers to enhance their productivity and improve quality of housing

Strategy
